## Congressional Candidate Lt. Col. (US Army, Ret.) Allen West to Appear on The Neal Asbury Show the Week of January 21st.

Lieutenant Colonel Allen West (US Army, Retired) was born and raised in Atlanta Georgia and is third of four generations of military servicemen in his family. In 2004, when it was time to retire from more than twenty years of service in the US Army, he brought his wife and two young daughters to Broward County, Florida, where he taught high school for one year. He then returned to Afghanistan as an advisor to the Afghan army, an assignment he finished in November 2007.

Recently, Lt. Col. West responded

to comments made by Senator Harry Reid in an impassioned letter that speaks to his own character.

*Greetings,*

*The revelation of Senator Harry Reid's comments referencing "negro talk" is just indicative of the true sentiment elitist liberals, and indeed the Democratic party, have toward black Americans. The history of the Democrat party is one of slavery, secession, segregation, and now socialism. It is this new aged socialism born from the Johnson Great Society programs that have castigated blacks as victims needing government dependency. One need only to look upon the city of Detroit to ascertain what liberal social welfare policies have produced for the inner city... the new plantation for black Americans.*

*The Ku Klux Klan was birthed by the Democrats as a terrorist wing to intimidate blacks, and whites, who sought to promote economic and education independence and social justice for blacks. What was*

*once overt has just morphed and become covert, yet still exists.*

*One can only imagine the insanity and media outrage if Reid's quote had come from a member of the Republican party. I look forward to hearing from Jesse Jackson and Al Sharpton on Reid's comments... or has liberal hush money paid for the silence of these proprietors of poverty and victimization theory. Actually, if President Obama had any courage he would demand Reid step down as Senate Majority Leader, and discontinue any support for his Senate reelection... notice I said "if". I am quite sure the Soros money which elevated Obama to the position of President has bought his servitude.*

*Why am I running for US Congress as a Republican? Simple. I would rather stand proudly and be called*

*"an Uncle Tom and a sellout" than lose my self-esteem and be considered an inferior by liberals. I understand the legacy of the GOP and the black community... not the revisionist history espoused by liberal educators. I am not, shall never be, and will not raise my daughters to be a part of the liberal 21st century plantation. I am not just some articulate, clean, well spoken negro. I am an American warrior, Congressional candidate, and shall never submit to the collective progressive ideal of inferiority.*

*Senator Harry Reid's comments are disgusting, despicable, and unacceptable. They are representative of how intellectual elite liberals do indeed speak of black Americans in their closed private spaces. Next week I have been invited to NYC to address the Hudson Institute, a conservative organization, conference on "Reclaiming American Liberty". That invite came to me because I took advantage of the opportunities this great Republic offered. I followed the guidance of my parents and set my standards above all others around me. I speak well and have impeccable communicative skills because my Father and Mother prioritized that quality.*

*I shiver to think what my future could have been if I listened to the insidious rhetoric of charlatans such as Harry Reid, and the ambassadors of affirmative action who reside in the Congressional Black Caucus. Sure, the "stuck on stupid" blacks are going to address me in derogatory names, but I possess something which they lack; Honor, Integrity, and Character. To them I say, continue to be slaves to the liberals for your vote... and in a year you will be calling me Congressman West.*

*Steadfast and Loyal,*  
LTC(R) Allen B West

Allen West received his Bachelors degree from University of Tennessee and Masters degree from Kansas State University, both in political science. He also holds a Master of Military Arts and Sciences from the US Army Command and General Staff Officer College in political theory and military operations.

"Education is the great equalizer," he says. "With a good education, any child in America can live his dream."

Allen West knows that for our children to live their dreams, they

need to be safe. He has served in several combat zones: in Operation Desert Storm, in Operation Iraqi Freedom, where he was battalion commander for the Army's 4th Infantry Division, and in Afghanistan, where he trained Afghan officers to take on the responsibility of securing their own country.

Allen is an avid distance runner, a PADI Master certified SCUBA diver, motorcyclist, and attends Community Christian Church in Tamarac Florida.

Excellence is a West family tradition. His wife, Angela, holds an MBA and PhD. and works as a financial planner. He has two daughters, Aubrey and Austen.
